Description: Pain, Anxiety, Inflammation, Cancer, Seizures every day we hear of new applications for cannabis. But does this apply to pets? Canine expert Caroline Coile walks you through 30 years of documented research on therapeutic applications for cannabis with animals and introduces you to pioneering new CBD products specifically designed for pets. Learn about...

Review: Think of this short booklet as a detailed brochure on the subject, likely sponsored by Canna-Pet, a Seattle based leader of high-quality Hemp products. All proceeds from the sale of the book support animal charities. The book is slow to my taste, but I skimmed it, received the info I wanted and decided to give Canna-Pet a try. With the coupon offered...
